The Arthur S. Flemming Awards Commission

Washington 5, D. C.

Dear Mr. Parkinson:

I have discussed with a number of our senior officers the nomination of some of our young men for the Fourteenth Annual Arthur S. Flemming Awards Program, and we have decided that we will not propose candidates this year.

We regret that we are unable to recommend some of our outstanding young men for public recognition, but the security restrictions that must be accepted in our work apply most particularly to our young officers. We appreciate being given the opportunity each year to participate in this worthwhile program and hope that at some future time we will be able to nominate some of our young men whose achievements may be given public recognition.

I wish to express my appreciation for the efforts of the Junior Chamber of Commerce over the past fourteen years to stimulate interest in the public career service.

Sincerely,

Signed G. P. CABELL
